A young child with blonde hair, wearing a bright green polo shirt and dark pants, is seated at a light-colored wooden table. The child is looking down at something on the table. In the background, a wall is covered in white square tiles with dark grey grout. A large, rectangular sign made of brown paper is mounted on the wall, featuring the text 'Inspired by nature' in black and 'Inspirados por la naturaleza' in grey. Below the sign, four colorful recycling bins are lined up: blue, green, yellow, and red. Each bin has a small white icon on its top surface. To the right of the bins, another wooden table is partially visible, with several red-framed chairs with light-colored seats. The floor is made of dark wood. The overall scene is a clean, organized classroom or activity room.
